

# EMPLOYMENT AND TRAINING UPDATE

3<sup>rd</sup> Quarter update

November 2006

## Employment and Training Program

*Here is a little update of what has been happening in the Employment and Training Program*

To all members who I haven't met, my name is Stephanie Stanger and I am the Employment and Training/AHRDA Manager, here at Native Council of Prince Edward Island. I have been in this position since November 2004.

The program has been running very smoothly in the last fiscal year. We have had a number of successful Job Creation Placements this past fiscal year and opened a lot more relationships through the Job Creation Placement Program. We rely heavily on creating partnerships with other organizations, as it is an important thing for our program. We have assisted nine students this year with tuition, books, and partial tuition. Due to the amount we have allocated for education, we are only able to assist a few students during the year. To get assistance through our Education Assistance Program, we will be accepting applications for the 2007-2008 school year in March 2007. Please call me if you know any member who are interested in the program and what we may be able to offer to members.

This year we also have an Educational Scholarship. Two scholarships in the amount of \$250.00.

Applications can be picked up at the office or we can mail them out to the members.

If any members have any ideas on what type of training program they would like to see here at the Native Council of Prince Edward Island, please call me at (902) 892-5314 ext 235 or you can email me at [stephanie@ncpei.com](mailto:stephanie@ncpei.com). Also if any member would be interested on sitting on the Education Committee or Hiring committee please forward your name and a resume to me as we would like to have a member from the community sit on these committees.

I would also like to give Jenna a round of applause for all the hard work and dedication! She is working so hard to get all youth involved in all activities and doing all she can for the youth. **Great Job Jenna!!!**

So if you have any concerns, comments or have any ideas to ensure our program is running effectively, please do not hesitate to contact me at (902) 892-4314 ext 235 or email me at [stpehanie@ncpei](mailto:stpehanie@ncpei)
